

# What's new in TT PAPA version 7.80

This document introduces some of the latest features in the TT Payroll and Personnel system.

November 2019

## Contents

Adjustment Screen Editing .....	1
Email Payslips with extra Report.....	1

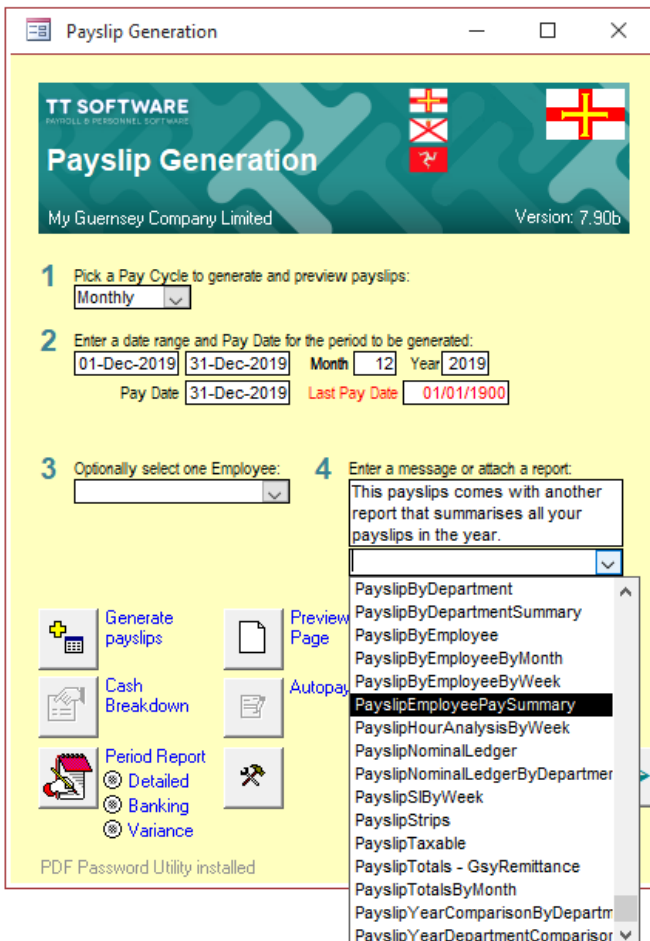

## Adjustment Screen Editing

Any adjustment type can now be configured to allow or deny a user the ability to:

- Edit the default Value
- Edit the default Employer Value
- Edit the End Date

## Email Payslips with extra Report

A new option has been added to step 4 of the Payslip Generation screen to allow a second report to be attached to the email when dispatching payslips. A good report to attach at year end in the Payslip Employee Pay Summary report as illustrated below:
