

What's new in TT PAPA version 8.00

This document introduces some of the latest features in the TT Payroll and Personnel system.

July 2020

Contents

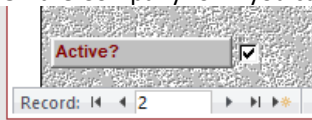

Importing Employer Values	1
Inactive Companies	1
Jersey Tax and Insurance Remittance Advices	1
Report Robot Emails.....	2
Authority Returns	2

Importing Employer Values

The standard 'Adjustment Import' routine will now calculate employer contributions automatically, to enable automated batch loading of pension and other benefit amounts.

Inactive Companies

On the Company form you can now set a company to be inactive in order to hide the company from lists:

Jersey Tax and Insurance Remittance Advices

When submitting Jersey returns a new Remittance Advice report can be printed.

The report include methods of payment and shows the amount due:

**gov.je** Information and public services for the Island of Jersey

ITIS Remittance Advice

Employer Name:	My Jersey Company Ltd		
Employer Tax Ref:	CZ4444-01	Year: 2020	Month: 4

Total Tax deductions:	£2,985.00
-----------------------	-----------

Report Robot Emails

When emailing a batch of reports using the 'report robot', a CC and BCC recipient can now be specified:

6 Export the batch of reports or email them as PDF attachments:

To:

CC:

BCC:

Subject:

Email Text:

Authority Returns

A side button (located at the bottom right of the form) can now be used to open 'report robot' options to automate the emailing of submission reports to management or clients:
